

TeX Users Group Membership List — Supplement

December 1988

This supplementary list, compiled on 20 October 1988, includes the names of all persons who have become members of TUG or whose addresses have changed since publication of the last membership list update, as of 16 June 1988 and bound into TUGboat Vol. 9, No. 2. The last full membership list, as of 15 February 1988, is bound into TUGboat Vol. 9, No. 1. All institutional members are listed. Total membership: 147 institutional members and 3,172 individuals affiliated with more than 1,350 colleges and universities, commercial publishers, government agencies, and other organizations throughout the world having need for an advanced composition system.

The following information is included for each listing of an individual member, where it has been provided:

- Name and mailing address
- Telephone number
- Network address
- Title and organizational affiliation, when that is not obvious from the mailing address
- Computer and typesetting equipment available to the member, or type of equipment on which his organization wishes to (or has) installed TeX
- Uses to which TeX may be put, or a general indication of why the member is interested in TeX
