

T_EX Users Group

TUGboat (ISSN 0896-3207) is published by the T_EX Users Group. Web: tug.org/TUGboat.

Individual memberships

2024 dues for individual members are as follows (all rates will likely have a small increase next year):

- Trial rate for new members: \$35.
- Regular members: \$115.
- Special rate: \$85.

The special rate is available to students, seniors, and citizens of countries with modest economies, as detailed on our web site. Members may also choose to receive *TUGboat* and other benefits electronically, at a discount. All membership options are described at tug.org/join.

Membership in the T_EX Users Group is for the calendar year, and includes all issues of *TUGboat* for the year in which membership begins or is renewed, as well as software distributions and other benefits. Individual membership carries with it such rights and responsibilities as voting in TUG elections. All the details are on the TUG web site.

Journal subscriptions

TUGboat subscriptions (non-voting) are available to libraries and other organizations or individuals for whom memberships are either not appropriate or desired. Subscriptions are delivered on a calendar year basis. The subscription rate for 2024 is \$125.

Institutional memberships

Institutional membership is primarily a means of showing continuing interest in and support for T_EX and TUG. It also provides a discounted membership rate, site-wide electronic access, and other benefits. For further information, see tug.org/instmem or contact the TUG office.

Trademarks

Many trademarked names appear in the pages of *TUGboat*. If there is any question about whether a name is or is not a trademark, prudence dictates that it should be treated as if it is.

About the cover

The cover graphic was created by Federico García De Castro; it illustrates the harmonies in the first prelude of J.S. Bach's *Well-Tempered Clavier*. Federico's article on pages 117–124 describes how it was made, using MetaPost and his MetaGraph macros.
